

COMMUNIQUE OF THE MONITORING GROUP OF THE UNIVERSITY OF ALMERÍA ON COVID-19

06.03.2020

The Rector of the University of Almería has created a COVID-19 Monitoring Group. Integrated by the Vice-Rectorate of Sports, Sustainability and Health University; Internationalization; Students, Equality and Inclusion; Academic Ordination; Postgraduate, Employability and Relations with Companies and Institutions; The General Directorate of Communication and by the Rector of the UAL. It may be expanded with other members of the University Community if it is deemed appropriate. This Monitoring Group is in permanent contact with the Ministry of Health and Families of the Andalusian Government and with the Ministry of Health, receiving updated information and, if necessary, adopting the measures that they indicate.
