NOTES:

* SRUK agreed with the University to award extra fellowships in the Spain->UK direction due to void of applicants in the UK-> Spain direction.

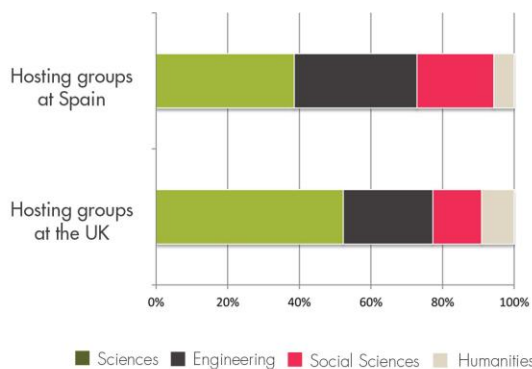

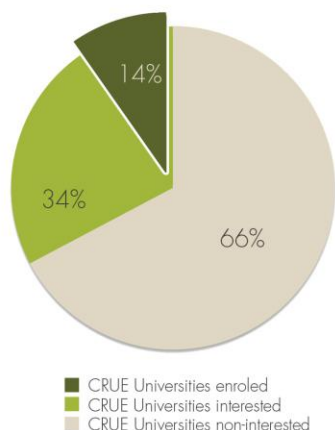

** Due to a calculation error at the evaluation stage and a narrow margin between the applicants Hend Farahat Issa Farag and Julio Guinea Bonillo, a second evaluation was conducted by external evaluators to SRUK and URJC. The final results awarded to Julio Guinea Bonillo with the On the Move fellowships and Hend Farahat Issa Farag was dismissed.
