Where to find us

The Library has two locations:

- The **physical location** is open from 8:30 AM to 9:00 PM, Monday to Friday.
- The virtual Library is at <https://www.ual.es/biblioteca> (open 24/7)

To use the Library all you need is your
UAL virtual campus login details.

85% of the collection is available in digital format!

How to find what I am looking for

From the **Indaga** search engine you can access all the academic information you need. **Indaga** provides you with:

- The location in the Library of printed documents.
- Access to electronic resources.

If you access from outside the UAL Campus, you will need to identify yourself with your virtual campus login details.

What can I use?

You can borrow:

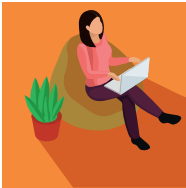

- Almost all the books in the Library. We have self-checkout machines.
- A laptop computer in the self-service area (maximum 4 hours).

*If you need a desktop computer, reserve a place in the Library Computer Room from your **virtual campus**.*

Where can I study?

There are different study spaces in the Library:

5 STUDY ROOMS

Law and Social Science,
Science and Technology, Humanities,
Health Sciences and Psychology

ROOMS WITH SPECIAL OPENING HOURS

**From 8:30 AM
to 23:59 PM**
All the days of the week
Open **24 hours** for exams

8 GROUP WORK ROOMS.

For teamwork.
You can reserve them
through the virtual campus.

Who can help me?

The Library staff are here to help you.

Go to the consultation points in the different rooms or ask us through the CAU (University of Almeria User Assistance Center).

CAU ACCESS
ual.es/contacta

We can **help you find the best information for your academic work** and how to use it correctly.

We offer training courses!

Consult our **training calendar**.

**Beware of copy-paste,
there are tools that detect plagiarism!**
