## Important info. about UAL enrolment process

For undergraduate and master's degrees, there are two ways you can become a student at our university: as a visiting student, or as a fulltime student.

- As a **visiting student**, you just undertake some modules at UAL, at the same time that you keep your studies at your home university. You need to enroll for a minimum of 42 ECTS per academic year, which corresponds to around 7 modules (3-4 modules per term). Bear in mind this option does not grant you rights for an official university degree issued by our university, instead it is intended for you to incorporate the modules you undertake at UAL to your home university transcript of records.
- As a **fulltime student**, after completing your studies you will get an official Spanish university degree issued by UAL. For this option, you have to enrol through the [Andalusian University Registration Service](#) (DUA), following the instructions for "Fase Extranjeros".

**PLEASE NOTE:** For both options, you need to pass at least 60% of the credits each term.

FOR FURTHER INFORMATION ABOUT THE ENROLMENT PROCESS, PLEASE CONTACT [ARATIES](#) AT UAL'S EDIFICIO CENTRAL.
